## **Anita Wei**

### **VP, Government Affairs, Danaher China**

Anita Wei is the Vice President of Government Affairs for Danaher China and a member of Danaher China Leadership Team (CLT). She reports to Global VP/Group President of Danaher China.

Anita is taking the lead in developing and maintaining central and local government relations, managing cooperation programs with government, enhancing Danaher corporate branding in China. She is also responsible for policy monitoring and analysis, evidence-based value access as well as industry alliance for policy shaping. She and her team are currently mainly responsible for supporting all Operation Companies (OpCos) across four platforms within Danaher.

Anita serves as the Chair of AmCham Shanghai Healthcare Committee and Executive Committee Delegate of AdvaMed China. She is actively involved in industry-related affairs.

Prior to joining Danaher, Anita was the Vice President Public Affairs and Communications for BD Greater China. Prior to that, she also worked for Novartis Pharma as Head of Communications for Greater China. Anita is also an advocate of diversity and inclusion and has been very active in promoting women's development. She is the co-founder for Carnation Project of China Development and Research Foundation (CDRF), advocating for women health and well-being.

Anita holds a Bachelor's degree in Economics from University of International Business and Economics and a Master's degree in international Business from the University of Sydney.
